Dear Annual Conference Attendee,

The Red River Watershed Management Board (RRWMB) and Red River Basin (RRB) Flood Damage Reduction Work Group (FDRWG) thanks you for your attendance at this year's annual Conference. This event provides a venue for watershed districts in the RRB to learn about a variety of topics related to flood damage reduction and to discuss potential collaboration on future projects and initiatives.

The RRWMB and FDRWG thanks the Conference Planning Committee for their hard work and efforts to plan this event. Without their dedication, this event would not be a success. Specifically, the RRWMB and FDRWG thanks:

Kerry Ross, Nikki Swenson, Nicole Bernd, Julie Goehring, Leah Thvedt, Henry VanOffelen, Pete Waller, Jim Ziegler, Rodger Hemphill, Eddie Bernhardson, and Erik Jones.

The RRWMB and FDRWG also graciously thanks our sponsors:

Houston Engineering, Inc.  
Moore Engineering, Inc.
